Annual Business Membership – \$50

This membership is required for those who would like to have their business name listed as the owner of the horse. If the owner is also a rider, then a regular membership is also needed.

- In order for **points to count towards horse** (all hunter and jumper classes), the **owner** must be a member. (So if you are leasing or borrowing a horse and want your hunter or jumper classes to count, make sure the owner is a member!) In order for the **points to count towards rider** (all equitation and medal classes), the **rider** must be a member.
- **In order to compete in any GSDHJA Medal Class, rider must be a member.**
- *Membership must be in place prior to riding in any class for points to count towards GSDHJA year-end awards. Absolutely no points will be awarded retroactively.*
- Memberships are good through 12/1/10.

I, the undersigned, understand that horseback riding is a dangerous sport and I accept the risks involved in participating in such activities. I agree to indemnify and hold harmless GSDHJA and the directors' officers, members, employees and agents thereof, from and against any and all losses, costs, or expenses, or any claim of whatever nature arising or to arise, or by account of membership hereby made.
